

SUMMARY

Motivated and detail-oriented IT professional with hands-on experience in web development, Java programming, and database integration. Skilled in building responsive websites and applications using HTML, CSS, JavaScript, and Spring Boot. Strong problem-solving ability with a focus on clean code, performance optimization, and user-friendly design. Eager to contribute technical expertise and creativity to a dynamic development team.

EDUCATION

Annai Vailankanni Arts and Science college

Bachelor's Degree in Computer Science
2022 - 2025
CGPA - 7.45

Rajah's Higher Secondary school, Hsc

2021-2022
CGPA - 6.90

Rajah's Higher Secondary school, SSLC

2019-2020
CGPA - 7.10

SKILLS

- Python
- Java
- Flutter
- Springboot
- Git and Github
- Html
- Css
- JS
- MySql
- JDBC

CERTIFICATIONS

Android App Development (Corizo)
Completed a comprehensive course on Android app development, gaining hands-on experience in building responsive mobile applications using modern tools and best practices.

PROJECTS

Calculator App (Flutter)

Built a responsive calculator application using Flutter with a clean and professional UI. Implemented core arithmetic operations and adaptive layouts for mobile and tablet devices, ensuring smooth performance and a user-friendly experience.

Alumni Management System (Spring Boot Web App)

Developed a full-stack web application using Spring Boot, MySQL, and Thymeleaf to manage alumni records with CRUD operations, authentication, and a responsive UI. Implemented secure database integration and efficient data retrieval for improved user experience.

Internship

Computer Services Center (CSC) 2024 Jan - 2024 Mar
Worked with HTML and Python to assist in digital services, data entry, and web-based tasks, improving efficiency and accuracy in administrative processes.
